About the Art League

The Long Beach Art League was initially formed in 1952 by artist and long-time resident, Leona Post, and a few of her friends. Over the years this small group has grown into a paid membership of over 100 strong with diversified artists and photographers.

Our executive board consists of professional to newly discovered artists who are dedicated to maintaining and promoting the highest quality in artistic standards.

The Long Beach Art League, in conjunction with the Long Beach Public Library, sponsors a monthly exhibit located in the upstairs gallery of the library. Members are entitled to participate in exhibitions of their work in our membership shows.

Benefits of Membership

- The Long Beach Art League presents programs on the first Wednesday evening of every month. Your membership entitles you to our newsletter which provides all of the information about our programs.
- For our programs we bring in professional artists who are eager to share their art techniques and experiences, movies related to art, workshops, demonstrations and lectures. We want to present learning experiences for our members.
- In addition, we give our membership the opportunity to exhibit their own art in our gallery located on the second floor of the Long Beach Public Library. Three or four times annually we invite a well-known artist to judge and award prizes to the best of our members' work.
- A newsletter, which not only includes information about our meetings and programs, but also gives the reader information about local museum exhibits and upcoming opportunities the artist may take advantage of.
- The opportunity to go on bus trips to local, and sometimes not-so-local, museums and galleries at discounted rates.
- Participation in any membership show that we sponsor. We have a gallery on the upper floor of the Magnolia Blvd. Center for Youth and Family Services on Magnolia Blvd. in Long Beach that any of our members are entitled to exhibit their work in for two months on a rotating basis.
- We have space in Arts in the Plaza from the last week in May through the last week in October. All members may have the benefit of showing and selling their artwork at no additional fee.
- Long Beach Art League offers an open studio space at the VFW Hall in Long Beach. We also offer live model drawing sessions for a nominal fee.
- As a member you are entitled to discounts on art supplies at participating art stores.
